- June 28: Overnight Group

from the desk of...

Pastor Lisa

Dear Friends in Christ,

Summer is both a wonderful and very busy time of the year. Many of you will be traveling for youth sports events, family gatherings, and the like. It's a time when we will be scattered all over, hopefully enjoying some nice weather and having a whole lot of fun.

As we swing into warmer and longer days, remember your community of faith is here to be an important part of your summer, too! Many of our activities will continue through the season, including men's bible study, worship, and our yearly fish fry. We also continue the hard work of updating our church building. The life of the church never slows down, and I am thankful for that.

Whether you are traveling a lot in the coming weeks and months, or sticking close to home, it is my hope and prayer that we can still come together as the people of God at Trinity and experience many of our summer days together. Do you have a day or two when you can help paint or do a little clean up in the church? Do you crave hearing and experiencing the Word in study and worship, even as you fill your days with sun and fun? Then join us this summer for our times of worship, fellowship, and coming together to make our house of worship an even more beautiful place to be. If you are unable to be with us this summer, know that our prayers and hearts are with you too! This is our church home. May you find rest and peace in it when your travels come full circle and you return home again.

God is with us wherever we go, and in all that we do. Of that I am most certain. This summer let's continue to have our life together – our life with God – be at the center of all we do. Let's continue to build community together, so that we can share our stories of God
